## Work Experience

---

### **Registered Nurse**

Apidel Technology/CVS - Independence, MO  
December 2020 to February 2022

This was a contract position. I was outside of CVS in their kiosk and performed rapid testing for covid19. I took vitals and ran the test. Documented in epic charting and communicated with the provider inside the clinic my assessment. I was also involved in inventory, ordering, and making sure supplies were available inside the kiosk.

The contract ended in July of 2021 and I was called to continue the contract in Aug 2021 at several locations on the Kansas side.

### **Registered Nurse**

Favorite Healthcare Staffing - Ames, IA  
November 2020 to December 2020

This was a short 4 week contract through the holidays working their ICU/Covid unit. I assessed patient needs, administered treatment and medications per physician orders, documented in epic, and assisted with other patients on the unit as necessary.

### **RN Float Nurse at Ochsner Medical Center New Orleans, LA**

FlexCare Medical Staffing - Roseville, CA  
August 2020 to October 2020

This was a contract. I was an agency RN float between 5 New Orleans hospitals, covid19 unit, neurology step down, pcu, med surg

### **Pre-op/PACU RN**

Truman Medical Center Hospital Hill - Kansas City, MO  
February 2020 to June 2020

Pacu and preop. Prepared patients for surgery (placed IVs, administered medication, made sure consents were signed, etc). When surgery was shut down d/t covid I was placed in the covid command center answering the phones. We were scheduling covid testing and giving results to those who had been tested.

### **PACU RN**

Pinnacle Regional Hospital - Overland Park, KS  
November 2019 to February 2020

Pre-op and PACU in a small surgery center/ hospital. 12 bed hospital and 4 bed PACU

This small private owned hospital was shut down. The man stopped paying both this location and another hospital in Boonville,MO
