I'm an RN ready to get more experience. I've been an LPN for 13 years. I'm excited to start my new position. I've done some agency and staff work already. I'm looking to continue giving quality care to my patients.

Work Experience

RN Staff Nurse

White Cap Nursing Agency - Chicago, IL

November 2021 to Present

1. Administer prescribed medications or start intravenous fluids, noting times and amounts on patients' charts.
2. Observe patients, charting and reporting changes in patients' conditions, such as adverse reactions to medication or treatment, and taking any necessary action.
3. Provide basic patient care or treatments, such as taking temperatures or blood pressures, dressing wounds, treating bedsores, giving enemas or douches, rubbing with alcohol, massaging, or performing catheterizations.
4. Answer patients' calls and determine how to assist them.
5. Measure and record patients' vital signs, such as height, weight, temperature, blood pressure, pulse, and respiration.
6. Work as part of a healthcare team to assess patient needs, plan and modify care, and implement interventions.
7. Collect samples, such as blood, urine, or sputum from patients, and perform routine laboratory tests on samples.
8. Prepare patients for examinations, tests, or treatments and explain procedures

LPN (Licensed Practical Nurse)

City View MultiCare Center - Cicero, IL

October 2013 to May 2016

Provided direct quality care to patients including daily monitoring, recording, and evaluating psychiatric medical conditions of up to 50 patients per day.

Lead and trained newly staff registered nurses on unit routine, hospital protocol, and direct patient care, and duties within the unit.

Responded to numerous volatile situations and violent outbreaks, earning the respect of physicians and coworkers for calm, levelheaded and quick thinking to restore the safety and security of patients and staff.

Developed and implemented treatment plans for patients with broad range of mental health issues.

Ensured that doctors' orders were effectively carried out, including testing, medical procedures, consultations and stat orders for restraint.
