Greetings!

Currently I am seeking a Registered Nurse career. For the past twenty years I have worked in healthcare mostly with the geriatric population. Starting out as a CNA, LPN, and finally RN, I come with lots of experience. Upland Hills Health has been my employer for a majority of those years. I've lived in Darlington my entire life and have raised my family there, two girls. At this time I am searching for different types of nursing experiences, in hopes that your facilities can provide that. Thank you for considering me for this opportunity and I truly look forward to speaking with you regarding a possible position.

Sincerely,

Audrey Gould, RN
