+1 229 603 1481

Enthusiastically seeking an mid level nursing position in a medical institution where I can utilize my clinical education, nursing qualifications and healthcare skills toward my professional development as a Registered Nurse, while continuing my education.

## Work Experience

---

### **RN**

Medical Center Barbour - Eufaula, AL

2020 to Present

I currently work outpatient and PACU. Feb 2022 will be two years I have held this job. Rapid COVID19 testing and lab work for pre op, along with going over all documents and consent forms. Starting IV's, giving pre op meds as well as monitoring VS, pain and level of consciousness post anesthesia. Also work infusion services where I do IV antibiotics, blood, shots and Regen.

### **Registered Nurse**

Southwest Georgia regional medical center - Cuthbert, GA

February 2018 to Present

Currently working as a full time ER nurse and part time with general surgery. As an ER nurse I triage, assess and address all acute needs of the patients. Treat the patients in a timely and efficient manor as well as make follow up appointments with speciality clinics. With general surgery I assist with inpatient procedures, schedule appointments, call in medication, assist patients with getting ready for surgery and inventory .

### **Registered Nurse**

Medical Center Barbour - Eufaula, AL

June 2017 to Present

Currently being cross trained as an ICU nurse, charge nurse when ever needed. Assess patient frequently, able to delegate effectively able to team build and motivate though around me. Positive and eager to continue to increase nursing skills.

### **Registered Nurse**

Southeast Alabama Medical Center - Dothan, AL

January 2017 to Present

Worked on a neurological for six mouths. Performing Neuro checks every four hours and reporting any changes to doctors. Able to perform insulin drips per protocol, give medication safely and efficiently, communicate with doctors and eager to learn more. Currently still employed at this location pen.

### **Registered Nurse**

CoreCivic - Lumpkin, GA

December 2018 to April 2020

Assess and triage all incoming detainees, perform sick call daily answer and attend sick call, assess and treat after altercations, administration of medications, perform EKG's and labs

### **Home Health Aide**

American Home Health - Macon, GA  
May 2012 to March 2013

Worked as a Home Health Aide providing elderly and disabled clients in their homes with assistance in activities of daily living, housekeeping, correspondence, shopping, and occupational therapy.

### **Nurse Tech II**

Southeast Alabama Medical Center - Dothan, AL  
May 2009 to October 2010

As a nurse tech II, I worked under the supervision of registered nurses to provide basic nursing services to patients in a variety of health care settings.

- Duties: taking blood pressure, pulses, weight and temperature, caring for the patients physically and mentally, surgery prep, and discontinuing IV's and catheters.

### **EMT-B**

US Army - Fort Hood, TX  
November 1999 to February 2004

Fort Hood, TX. - EMT-B

- Successfully completed EMT-Basic Training course, which included lecture presentations by professionals in emergency medicine, as well as skills training in the management of various medical emergencies.
- Assisted with suturing, IV therapy, O2, running EKG's, medical administration and bedside care.
- In addition to the EMT skills I also had to restock supplies, immediately turn in expired medication to management so they could be replaced, check the vehicle daily for repairs, immunize soldiers and update medical records

## Education

---
