Registered Nurse

## Work Experience

---

### **Registered Nurse**

Phoenix and Carestaf

2017 to Present

Private duty nursing. Since 2017 I have worked on average over 40 hours a week direct patient care. I do complete patient care, administer all meds, follow a care plan, work well with families, do complete head to toe assessments. I work with patients who have G Tubes, tracheostomies, and ventilators. Assess patient and family needs. Provides, coordinates and directs care to individuals and families using a holistic approach. I use the nursing process, critical thinking and problem solving in everyday interaction with my patients.

### **Registered Nurse**

Centerpoint Medical Center

2017 to 2018

I worked on the Surgical/ortho floor. I would collaborate with all members from the healthcare team. Some of my duties entailed administering meds, starting IVs, 12-lead placement and interpretation, admitting and discharging patients, giving and receiving shift report.

### **Home Health Aide**

SYNERGY HomeCare and Evergreen

August 2012 to 2017

I was responsible to patient's medications. I work within rehabilitation facilities with patients who have suffered a stroke. Specialized in care of patients with MS, Diabetes, CHF, Stoke, Alzheimer's, Parkinson's, and complete care of a quadriplegic.
