Work Experience

Registered Nurse

Nextstaff - Des Moines, IA

March 2020 to Present

Currently still employed here. Traveling nurse in Long Term Care Facilities.

Registered Nurse

Unity Point Health Keokuk - Keokuk, IA

September 2020 to March 2021

OR Circulatory Nurse

Registered Nurse

Nuclear Care Partners - Colorado Springs, CO

February 2020 to September 2020

Skilled Home Health Nurse

Registered Nurse

Great River Klein Unit - West Burlington, IA

January 2019 to March 2020

I cared for Elders of the Klein Unit as a Float Nurse utilizing the nursing process of assessment, care plans, nursing interventions, implementation, and evaluation along with my health care team members. I used my professional communication skills with Elders and family members to provide the best care possible. I am efficient in EMR documentation. I did admissions and discharges per physician's orders. I administered medications including the following routes: PO, SL, IM, SC, Intradermal, IV, Topical, G-tube, etc... I am a graduate of SCC and have a current license as a Registered Nurse in the State of Iowa. I have 11 years of Health Care experience.

Registered Nurse

Great River Health Systems PACU - West Burlington, IA

June 2018 to September 2018

I started Orientation in June 2018. I was not able to finish the Orientation because I did not have enough experience as a Critical Care Nurse yet to continue the position.

LPN (Licensed Practical Nurse)

Great River Klein Unit - West Burlington, IA
June 2017 to June 2018

Monitored 16 assigned patients, updating information on vital signs and progress of treatment. Documented data related to patient care including: assessment results, interventions, medications, patient responses, treatment changes. Assessed condition of patients, ordering diagnostic tests per physician orders, provided wound care, and placing urinary catheters.

CNA - Certified Nursing Assistant

Great River Klein Unit - West Burlington, IA
December 2016 to June 2017

Provided patients' personal hygiene by giving baths, backups, assisting with ambulation. Also, provided patient comfort by utilizing resources and materials, transporting patients, answering call lights and requests, and reporting observations of the patients condition to nursing supervisor.

Certified Medical Assistant (CMA)

Burlington Area Family Practice - West Burlington, IA
July 2010 to August 2016

Greeted more than 35 patients daily, prepared them for exam, and assessed their condition by taking vital signs and recorded results in EMR. Assisted physicians with minor office procedures, sterilized instruments using an Autoclave, administered injections and medications as directed by physicians. Also collected lab specimens and performed basic tests.
