## Work Experience

---

### **Registered Nurse**

St. Joseph's Hospital Emergency Room - Milwaukee, WI

January 2016 to Present

- Utilizes the emergency severity index to accurately triage patients.
- Collaborates with other members of the healthcare team including nurse practitioners, physician assistants, respiratory therapists, social workers, and medical doctors to develop individualized care plans to meet patient's specific health needs.
- Serves as the lead nurse on trauma/critical care teams regularly for high acuity patients.
- Uses critical thinking and problem-solving skills to advocate for patients in the absence of resources.
- Accurately administers and titrates high-risk medications regularly.
- Performs advanced technical skills, i.e. obtaining intraosseous access, nasogastric tube placement, IV insertion, catheter insertion, wound care, etc.
- Main Preceptor for five new graduate registered nurses on orientation, and have trained numerous student interns.
- Serving as Sepsis Champion in Emergency department, and auditing septic patient's charts to improve outcomes and collaborate with Ascension HealthCare's Sepsis Committee.
- Active member of Safety and Security Counsel and attending Journal Club for emergency department committees.

### **Professional Student Nurse Intern**

Swedish American Hospital Critical Care Unit - Rockford, IL

2015 to 2015

- Perform head-to-toe assessments, implement nursing interventions, and perform accurate documentation.
- Utilizes the nursing process in providing direct patient care.
- Maintains patient confidentiality.
- Recognizes changes in patient status and reports significant changes timely.
- Participated in the Emergency Response Team.

### **Maintenance at SportsCore I Complex**

SportsCore I Complex - Rockford, IL

2012 to 2015

- Coordinated available working hours between myself, employees, and supervisor to ensure even distributed hours and volunteer myself when others were unable to work weekends
- Supervising less experienced employees and acclimating them to the daily work requirements.

### **Maintenance and Carry-Outs**

Rock Valley Garden Center - Rockford, IL

2010 to 2012

-Maintained office space and entire outside grounds: including vacuuming, relocating products, and shoveling snow

-Delivering orders to customers vehicles, restocking shelves throughout the grounds, and bagging birdseed
