## Work Experience

---

### **Marigold**

Nursing Homes - Galesburg, IL

April 2013 to Present

The first two years with this company I worked as a CNA until receiving my lpn licences. I give basic care to the resident. Administering medications, checking VS. Sometimes wound care, I'm here for moral support, or even a listening ear; or a shoulder to cry on for my residents. I do daily checks, and observation pervading good quality care for my residents

### **LPN (Licensed Practical Nurse)**

GrapeTree Medical Staffing - Galesburg, IL

April 2018 to August 2019

For this company I work as an agency nurse. I go into facilities, and perform my nursing duties like it is my regular full time job. Great experience!

### **LPN**

Seminary Manor - Galesburg, IL

April 2018 to June 2019

I work as a floor nurse. I deliver care to Long term residents. In some cases that, includes hospice patients. I also care for our residents with Alzheimer's. I assess the CNAs when needed for transfers, feeding or toileting. Within the scope of practice I administer medications. Daily vital signs, and daily observations of our residents.
