Work Experience

Registered Nurse Clinical Coordinator

Centers for Pain Control and Vein Care - Valparaiso, IN

October 2018 to Present

I am currently an RN Clinical Coordinator for an Ambulatory Surgery Center and also manage a clinic for pain management. Our group performs pain procedures and surgeries, vein procedures, IR procedures, and cardiovascular procedures. My duties include overseeing daily schedules, staffing, supply orders, as well as handling any patient concerns. I helped initiate education and competency fairs for all of our clinical staff. I perform quality assurance/compliance and assist with quality improvement. I maintain yearly employee reviews and assist with time and attendance tracking as well as payroll for my employee group. I am certified as a BLS instructor and maintain my ACLS. I participate in AAAHC and State Surveys.

Registered Nurse (RN)

Porter Regional Hospital-Progressive Care Unit - Valparaiso, IN

May 2018 to July 2021

Responsibilities: Monitoring of step-down telemetry patients. To include assessments, wound care, IV therapy, respiratory therapy, monitoring and reporting of abnormal labs, and other pertinent tests. I would often float to ER, IMCU, and COVID units.

Registered Nurse/Charge Nurse

Porter Regional Hospital-Acute Inpatient Rehabilitation Unit - Portage, IN

February 2015 to May 2018

Responsibilities: Midnight Charge nurse of a 14 bed Inpatient Rehabilitation Unit. Care and monitoring of rehabilitating patients. Including but not limited to assessments, wound care, IV therapy, respiratory therapy, monitoring and reporting of labs, care plans, and coordinating nursing and therapy schedules.

Registered Nurse, Rehabilitation Unit

Millers Marry Manor - Portage, IN

June 2013 to February 2015

Care and monitoring of rehabilitating patients and elderly long-term care patients. Including admission, transfers, and discharge of patients. Monitoring of vital signs, IV therapy, wound care, respiratory therapy, monitoring and reporting of labs, and passing medications. Receiving and implementing orders while using EMR.
