Registered Nurse/Charge Nurse

Baptist Memorial Hospital - Memphis, TN

May 1994 to August 2017

As a Medical Surgical nurse, diverse and extensive skilled knowledge was applied to provide exceptional care to six to eight patients per shift. Administered medication as prescribed by physicians, started IVs and initiated intravenous fluids as needed. Documented patient adequate intake and output. Answered patient calls and assisted them with their individual needs. Provided needed treatments such as dressing changes, inserting NGT's, inserting catheters, performing physical assessments, administered blood products as per hospital policy, initiated high risk cardiac medications with thorough monitoring of the patients' responses. Also established strong working relationships with co-workers as well as physicians. Identified changes in a patient's status and notify charge nurse and physician of these findings. Monitored lab results and replaced electrolytes as needed. Served as a preceptor for over ten years.
