Work Experience

Registered Nurse

Aurora Health Care - Milwaukee, WI

June 2017 to Present

- I currently am employed with St Luke's hospital in Milwaukee wi.
- I work on a cardiology, interventional radiology and IR same day services floor.
- I am responsible for creating POC for all my patients.
- I am currently the lead RN in this department
- I am currently acs/ bls certified
- I am outgoing, responsible, and a caring person.

Patient Care Technician

St Francis hospital - Milwaukee, WI

July 2012 to June 2017

I have been previously working night shift. On night shift as a pca you are responsible for up to 13 patients and work directly under the rn that is working the unit. I was responsible for charting, i&o, inserting Foley catheter, removing Foley catheter, answering all call lights in a timely manor, answering phones, making sure patient needs are being met, removing iv lines, and making sure the unit runs smoothly through out the night.

CNA

Clement manor - Greenfield, WI

August 2008 to July 2012

Worked day and night shift. Took care of the daily needs of residents. Was responsible for feeding and toileting all residents in a timely manor. Treated every resident with respect and dignity. Charted daily and answered phones when needed. Reported directly to the rn on staff and followed the chain of command properly.
