Registry Nurse

St. Catherines Hospital - East Chicago, IN

August 2011 to September 2013

I float between 3 hospitals that the registry department oversees. I float between the IMCU, NEUROIMCU, Acute rehab, BHS(psych), and MEDSURG units. I work as a staff nurse that carry out the nursing process as specific to that unit.

Travel RN

Cross Country TravCorps - California

October 2012 to June 2013

As a travel nurse at Advocate South Suburban Hospital, I worked on a highly fast pace MEDSURG/ ORTHO unit. Provided care to patients pre and post surgical. Meds, pain pumps, dressing changes, ng tube

placements, lines

My significant accomplishment here was I mastered organization!

Home Health Nurse

St. Catherines Hospital - Tinley Park, IL
March 2012 to June 2012

Complete OASIS admission process once pt are discharge from hospital

*2-3 days per week visits to assist with meds, dressings changes and communicating with families.

*Promote the ADLs with pt in home care settings per medicare guidelines.

my significant accomplishment with this position i had the crucial experience of seeing the complete nursing

process from hospitalization and to see and experience some of the pt struggles when they are at home.
Very

eye opening for the nurse that works in the hospital.

Registered Nurse

IMCU/TELE - East Chicago, IN
October 2008 to July 2011

assess patients in systematic, organized manner

*communicate and record data

*plans prioritize care towards restoration

*evaluate goals

*delegate and supervise

Read and interpret EKG strips, administer antiarrhythmic agents

my significant accomplishment here is understanding the importance of careful assessment.

my ACLS certification.

Registered Nurse

MED-SURG/RENAL - Gary, IN
May 2008 to October 2008

implement the nursing process concerning pre/post dialysis care and
