To acquire a position in the Nursing field while applying the knowledge, skills and hardworking attitude that I have obtained through my many hours of education and clinical experience. To provide healthcare to the client with an empathetic, supportive, trustworthy and caring manner. To be a patient advocate to ensure that what is being done is in the best interest of the patient. To be a team player and to do whatever it takes to provide the best healthcare to the patient.

Authorized to work in the US for any employer
