## Work Experience

---

### **Registered Nurse**

Wesley Medical Center - Wichita, KS

August 2014 to Present

I provide care for patients ranging from pediatric to geriatric. Working with a team of healthcare providers, I work to improve the medical condition of patients that come into the Emergency Department. I am required to use my critical thinking skills, time management, and communication skills in the most efficient manner possible to provide the highest quality of care to my patients. I provide patient and peer education, as well as effectively communicate with teammates and patients. Daisy Award nominee, new hire mentor.

### **Server**
