## Work Experience

---

### Licensed Practical Nurse

Geneva Lake Manor - Lake Geneva, WI

February 2020 to Present

Providing nursing care and rehabilitation services to an elderly population. Duties include assessments, medication administration, treatments, admissions, processing orders, and documentation. Currently working fulltime on split shifts 2nd and 3rd.

### Nurse

Independent Practice / State of Wisconsin

January 2019 to February 2020

Private duty for a 20 year old patient with cerebral palsy, severe scoliosis, chronic respiratory failure and tracheostomy dependent. Daily nursing duties include Medication administration and enteral tube feed via G/J port, urinary catheter insertion, tracheostomy cares, tracheal suctioning frequently and weekly trach change. Vital signs, all duties per Plan of Care, and reporting to Case Manager daily.

### LPN/Administrative Assistant

Advanced Correctional Healthcare - Racine, WI

May 2018 to September 2018

Clerical duties, payroll, medication administration, daily assessments, and emergency response in a correctional setting.

### LPN

Medical Weight Loss Clinic - Lake Geneva, WI

June 2016 to May 2018

Assisted patients with medically approved programs designed for weight loss. Job responsibilities included patient assessment, taking vital signs, height, and weight, providing consultation, filling prescriptions, administering injections and clinical documentation.

### LPN (Licensed Practical Nurse)

Maxim Healthcare Services - Milwaukee, WI

October 2013 to January 2018

Employed at Maxim Healthcare services on an as needed basis. My flexibility with hours and shifts, plus the willingness to travel allowed me the opportunity to get the education and hands on learning experience I desired.

Maxim Healthcare has two divisions, Home Healthcare and Staffing Services. I was employed with both divisions which were equally rewarding.

### **Psychiatric Nurse**

St. Luke's Hospital - Racine, WI  
July 2015 to September 2016

Provided psychiatric nursing on the adult mental health unit at St. Luke's Hospital, and occasionally floated to the adolescent/child behavioral health unit. Nursing responsibilities included medication administration, admissions process, charting electronically and paper documentation. Providing therapeutic listening and communication. Patient observation and utilizing very good de-escalation skills.

### **LPN, Pediatrics**

Kathi Papa Inc - Oconomowoc, WI  
October 2012 to October 2013

Providing home health care for a toddler diagnosed with Chronic Pulmonary and Respiratory disease. Daily tracheostomy and gastrostomy care. Gavage feeding and medication administration. Patient ventilator dependent.

### **Private Duty Nurse**

Self Employed - Madison, WI  
August 2012 to August 2013

Providing home health care for a 6-year-old child diagnosed with Pseudobulbar Palsy and Hypoxemia. Daily Nebulizer treatment administration, tracheostomy care, gastrostomy, and jejunal port cares. Continuous oxygen saturation monitoring. Oral and tracheal suctioning. Performed daily medication administration.

## Education

---

### **Completion of Vocational Nursing Program in Nursing**

Schreiner University - Kerrville, TX  
April 2011 to April 2012

## Nursing Licenses

---

### **PN**

Expires: April 2023

State: WI

## Skills
