### **Staff Nurse LVN/RN**

Baylor Scott & White

2018 to August 2019

Staff Nurse RN 4/2019-8/2019

Inpatient setting that provides acute care to clients across the health spectrum, continuously assessing client's condition and ensuring operation of a wide variety of patient care equipment. With excellent time management skills and communication to establish safe and effective care to clients with interdisciplinary staff members. Reinforced education to clients and family to transition to out-of-hospital care, regardless of medical condition.

### **Reward Staffing LVN**

Baylor Scott & White

2017 to 2018

Using a variety of skills to engage in client centered care in all outpatient settings and specialities. Maintaining relationships with providers and clinical support staff by collaborating and coordinating with interdisciplinary staff to provide highest outcomes for clients. Ability to adapt to different environments and evaluate the needs of clients and family quickly and efficiently. Provided care across the age spectrum.
