To obtain a nursing position that utilizes my skills and knowledge to assist patients with their needs and to build upon my experiences with new challenges.

Work Experience

RN Home Health

Dickinson County Healthcare System - Iron Mountain, MI

January 2021 to Present

Home health care as ordered by physician. Hospice and end of life care. Proficient with wound vacs.

HOME HEALTH RN

HSHS St. Vincent Hospital - Green Bay, WI

2019 to Present

Case management for adult and pediatric population with skilled nursing needs. Proficient with IVs, wound vacs, complex wound care, phlebotomy, ostomies, central lines and ports.

BASED PRIMARY CARE RN/CARE COORDINATOR RN

HOME - Iron Mountain, MI

2016 to 2019

HBPC RN: Home visits to veterans providing skilled nursing. Collaborate with other members of the PACT team to provide well rounded care to the veteran. Case management to provide all aspects of needed medical care to the veteran. Work closely with both inside and outside agencies. Work independently as well as within a multi-disciplinary team. Develop patient centered care plans with SMART goals.

HOME TELEHEALTH CARE COORDINATOR RN: Analyze data sent in via home telehealth device located in veterans' home. Communicate with personal care physician (PCP) and the rest of the health care team to assist veteran in meeting goals. Work closely to help "graduate" veteran from the program after achieving goals outlined in the assessment and treatment plan. Use triage and assessment skills required to care for patients who are in their homes while not being able to see them in person.
